An invoice without our order number is not accepted and will be returned to the supplier. The invoice amount must not exceed the order value. The payment terms on your invoice must correspond with this PO. For invoicing and delivery of the original invoice please only use the specified invoice address in the header.

If you have been enabled for Ariba Document Exchange, all invoices must be submitted via the SAP Business Network, unless informed otherwise.

Once your invoice is approved for payment in our system, you can look up the status on the Invoice Status Portal. More information can be found on <https://supplier.swarovski.com/>

The General Terms and Conditions of SWAROVSKI for Goods or Services (depending on the subject of this order) shall apply to this order unless otherwise agreed in writing. The Supplier's general terms and conditions, if any, shall not be applicable to this order in any manner whatsoever. The General Terms and Conditions of SWAROVSKI are available on <http://supplier.swarovski.com> or from your contact at SWAROVSKI.
